GLOBAL MISSIONS VICTORY REPORTS FROM AROUND THE WORLD

SEPTEMBER 2024

CUBA & FRENCH GUIANA / BRAZIL / GABON / SCANDINAVIA

CUBA & FRENCH GUIANA

SCOTT AND LINDA GUINN

• Seventeen, including three children, received the Holy Ghost at a conference in Cuba. A Trinitarian pastor was baptized in Jesus' name, along with his wife and another church member. The host pastor testified that he is baptizing Trinitarian ministers in Jesus' name "like Nicodemus" as they are coming to him in secret. God is doing a mighty work!

• Bro. Heraude received the Holy Ghost in French Guiana on one of our prior trips. He is deaf but heard himself speaking in tongues. We also heard him speaking in tongues. He is desperate to have a Jesus name church in his city of Kourou. He gives Bible studies online using a whiteboard and sign language.

BRAZIL

AARON AND TIFFANY ANDERSON

We were able to organize and join Apostolic Youth Corps (AYC) in the Amazonian region of Brazil for ten days, and in that short time over one hundred received the gift of the Holy Ghost and many miracles and water baptisms in Jesus' name! One of the highlights was being invited to an Indigenous village by the local chief to have service. We arrived by boat, and nineteen (mostly indigenous children) were filled with the Holy Ghost!

GABON

COLLEEN CARTER

A total of nineteen were baptized in Jesus' name and five received the Holy Ghost in regular services or special Bible studies. Also, on Pentecost Sunday, over two hundred attended the joint service from four churches. Over thirty raised their hands in testimony that they had received the Holy Ghost for the first time or were refilled. The power of God has been so real in our services!

SCANDINAVIA

ROBERT KELLEY

The 2024 Nordic General Conference was held in Stockholm, Sweden this year. It is absolutely miraculous to see the work of God progressing in Sweden and the great congregation pictured below in spite of huge setbacks in the past.
