GLOBAL MISSIONS VICTORY REPORTS FROM AROUND THE WORLD.

NOVEMBER 2023

FIJI/SOLOMON ISLANDS / URUGUAY / AUSTRIA

TROY AND JENNETTE WICKETT

 **FIJI/
SOLOMON ISLANDS**

United Pentecostal Church Solomon Islands National Youth Camp was held on the island of Malaita, where 500+ young people were in attendance! 187 filled with the Holy Ghost and forty-seven baptized in Jesus' Name! Hallelujah!

The Kids' Food Center recently opened its doors, offering a haven for children in need. We provide snacks, essential hygiene items, and a secure environment for play and learning about Jesus. Our mission is to nurture both body and soul, fostering a brighter future for our community's children.

JACOB AND MANDY PALMA

URUGUAY 

JAMES AND HARMONY PACE

 **AUSTRIA**

You have prayed with us for target cities throughout Austria. As we began focused prayer and evangelism efforts in the city of Graz, one of the six cities, God was already sending laborers. The Sacro family relocated to Leoben, Austria, as the Lord opened incredible doors of opportunity for them. The Sacros were pastors of two churches in the Philippines where Brother Sacro was an ordained minister. The UPC of Austria is excited to welcome them. We cannot wait to see what God does in and around Graz!

MONTHLY PROJECT HIGHLIGHTS

BUILD A SMALL VILLAGE CHURCH IN THE GOLDEN TRIANGLE

PROJECT #: GMPD_136787_2505

For several years, the UPCI has been sponsoring small village church buildings in the Golden Triangle, a remote area where the three countries of Myanmar, Laos and Thailand converge. The work in the Golden Triangle has progressed among the different tribes. The churches are in remote areas and hard to access. We are thankful for pastor G.T. Robert and his daughter who are bringing the Gospel to about fifty small villages. When villagers donate the land, we can build a village church for \$9,700.00.

BIBLE SCHOOL ROOF IN BELIZE

PROJECT #: GMPD_432600_2202

The Bible School in Belize is in need of a new roof. The current roof is over twenty years old and is leaking. The cost is \$4,000.00.
