GLOBAL MISSIONS VICTORY REPORTS FROM AROUND THE WORLD

DECEMBER 2023

THAILAND/FRANCE/REPUBLIC OF GEORGIA/ARMENIA

JACK AND MICHIKO COOLBAUGH

 THAILAND

This new student came to study at the Bible School with serious depression and a mind that had been ravaged by drug use. He became greatly physically agitated in mental torments and the school prayed for him in his school dorm room while his mother and father came to take him home. But, even in his torments, he told them he wanted to stay. The next day he was baptized at the school and came up out of the water with pure peace and joy on his face, which remains to this day. Jesus has delivered him!

This year's Sunday school children's camp was filled with excitement as eight children received the Holy Ghost. The potential of these young believers inspires dreams of what the future may hold for the Church in France.
