CARL AND BETHANY SLEDGE

 GERMANY

Jennifer and Chantal live in Hamburg, two and a half hours from Berlin, but travel to church as often as possible. On a recent visit, Sister Jennifer (left in picture) was in severe pain with rheumatoid arthritis and could not lift her arms. During evening devotion, we prayed for her, and the Lord touched her. She could immediately lift her arms high, and she testified the next morning that she didn't need pain medicine in the night but had slept soundly. These ladies are talking to friends in Hamburg about church, and an exciting development for the kingdom of God is on its way. Stay tuned!

We had our annual prayer conference in Athens at the Crossroads Church in January. We had a record-breaking attendance number and two people were filled with the Holy Ghost and one baptized in Jesus' name.

 GREECE

A young man came walking into one of our services and instantly connected with the church. He was filled with the Holy Ghost and shortly after inquired about being baptized. Since this young man was under the age of eighteen, we mentioned to him that he must have parental permission. Once he received the permission, not only was he baptized, but his little brother was also baptized in the wonderful name of Jesus. A few weeks went by and he invited his father and his stepmother. God moved upon them and his father and stepmother were filled with the Holy Ghost and decided to be baptized that same day. This young man's mother came to church and was also filled with the Holy Ghost.

Pastor Ts'ukulu was completely healed from the stroke he suffered in 2022!
