

FOCAL POINTS

GLOBAL MISSIONS VICTORY REPORTS FROM AROUND THE WORLD

OCTOBER 2024

DOMINICAN REPUBLIC / RUSSIA / GUYANA / AFRICA

DOMINICAN REPUBLIC

STEVE AND KARI SHIRLEY

In a regional children's camp in La Vega we had an exciting day with 480 in attendance! Eight children received the Holy Ghost!

GUYANA

STEVE AND CHERI SMITH

Throughout the country we have already witnessed over 130 people receive the gift of the Holy Ghost and over fifty have been water baptized in Jesus' name! God is so good!

RUSSIA

ROBERT AND SHERI MOSES

Three were baptized and nine filled with the Holy Ghost in Moscow, Russia!

AFRICA

KAREN POOLE

After four days of rebuilding the church in Thaba Tsoeu, we held a service in the new building. It was packed! We had 195 people and baptized nine villagers in the name of Jesus. One of them was a councilor of the village! On the following Sunday, four people received the Holy Ghost and we have joined hands with the pastor to hold discipleship classes to encourage, enlighten, and empower the people.

MONTHLY PROJECT HIGHLIGHTS

BIBLE SCHOOL KITCHEN APPLIANCES

We need a new stove, refrigerator and freezer box for our Bible school kitchen. The burners on the old stove have rusted out and the fridge is too small to cater for the number of students boarding. The kitchen staff often cook on open fires outside because the burners aren't working fully, and they have no way to keep the many chickens donated for the Bible school graduation banquet frozen until Graduation Day! Cost of new appliances: **\$2,500**

PROJECT #: GMGP.707.2204

CHURCH BUILDING IN WARSAW, POLAND

The "New Hope" UPC of Warsaw would like to have our own church building in Warsaw. We have been using hotel conference rooms up until now. This amount will allow us to rent a cultural center room for multiple times a week meetings for a period of two years.

Request amount: **\$12,000.00**

PROJECT #: GMGP.4280.2101

AFRICA

Complete the building of the Headquarters Church in the Monica Province of Mozambique for **\$12,900**.

PROJECT #: GMGP.1180.2109
